

GIVING

Giving to Time's Fool helps us create access to affordable professional theatre. Your gift could be the difference that allows a young person to see their first play. Your gift is put to work immediately, supporting artist salaries, costumes, sets, and more. Time's Fool is a 501(c)(3) not-for-profit, so your gift is a tax deduction.

ABOUT US

Time's Fool Company is a nonprofit professional theatre company dedicated to creating accessible, inclusive, and innovative theatre in the Greater Hartford area. We believe that art is a human right, and we work to achieve access through removing cost barriers and rethinking space. All should feel welcome and share in the transformative power of theatre.

SUMMER SHAKESPEARE

Each August, we present a Shakespeare play outdoors on the grounds of the Keeney Memorial Cultural Center in Old Wethersfield with professional artists. Every performance is free or pay-what-you-will.

To learn more about the rest of our projects and programming, follow us on Instagram (@timesfoolcompany) and Facebook, and subscribe to our email list by visiting timesfool.org.

Access to the arts can change lives and communities.

Did you know . . .

Attending live theatre lowers your blood pressure and reduces your risk for depression and dementia.

Theatre is also good for local businesses. For every dollar we spend creating a production, 1.6 dollars is returned to the community.
